WHY BOOK TONY N' TINA FOR YOUR SPECIAL EVENT?

- There is no easier way to build relationships with colleagues, than to include them in a fun, all-inclusive, fully immersive environment.
- Guests feel comfortable from beginning to end, able to move freely throughout the room, breaking bread with their colleagues and our characters, sharing a cocktail, and dancing the night away.
- Just as a wedding builds community, this event is sure to bring your team together.
- Videos and pictures are encouraged...so your memories of fun and laughter are captured, and can be shared for years to come.
- It's your night! Tell us how we can support your message and we will make it happen ~ all in the context of the show.
